EUROPEAN LOUNGE

Hello Accent Customers,

Well, the Fringe is over, and fall is slowly creeping in. Thanks to everyone who made it out during the Fringe, both to Accent and to all of the great plays that we were involved with this year.

The next big event on our calendar is the Edmonton Chante music festival. Accent is proud to host an assortment of great Francophone and Bilingual musical artists from September 23rd through October 2nd.

Also new this fall is our half-priced wine promotion. Join us on Tuesdays where every bottle and glass of wine that we carry is half price with the purchase of any meal or appetizer. We've even developed a helpful pairing guide on the back of our menus to match our wines with the dishes they go best with. In any case, half-priced wine is a great reason to get out on a beautiful autumn night.

All the best this fall from me and the staff at Accent, and we hope to see you all soon!
