EUROPEAN LOUNGE

Hello Accent friends and family,

As I write this, it's the first day of summer! I've always found it kind of sad that the first day of summer is also the longest day of the year, and the days do nothing but get shorter as the summer wears on. But maybe that's just the pessimist in me. The optimist in me says that we're going to have a few great months of weather coming up, and that we'd love to share some of it with you on our patio at Accent Lounge.

So what's happening with Accent these days you say? Well...

- We have two new kitchen staff members joining us over the next week. With our long-serving sous chef Paul departing for university in Vancouver in August, we're welcoming Bernie and Evan to our kitchen team. Paul will be missed, but we are confident our food will come out as good as ever, especially with chef Huy whipping these newbies into shape!
- Accent has purchased a ton of the amazing Hop Stoopid beer from California. It's great stuff, so if you like hoppy beer, be sure to try a bottle the next time you're in.
- Our Thursday night Accent artists of the week showcases have proven to be a big hit. Come by for great tunes, great food and great martinis and beer every Thursday at 9:30. And if live music isn't your thing, feel free to drop by earlier in the evening, as our martinis and Alley Kat beers are on special all night long.
- And for a very special event, this Saturday June 25th at 10pm Accent is proud to host The Lions, an amazing band from Calgary, who will be performing some of their own songs as well as a whole bunch of Brit Pop classics from bands like Oasis, The Verve, The Stone Roses and many more. If you love great rock and roll, we guarantee you'll have a blast this Saturday.

Well, I wish you all a great start to your summer, and look forward to seeing you soon!
