EUROPEAN LOUNGE

Hello Accent Customers,

Patio season has finally arrived! There's no place to enjoy Edmonton's beautiful (and fleeting) evening sun like Accent's patio.

Here's what's new with us this May:

- We have three new staff that have recently joined the team at Accent. With Ashley and Stephanie's departure to Europe, we have two great new servers, Remi and Lysie. Also joining us in the kitchen for the summer is Keith, a student in the culinary arts program at SAIT.
- We have just received our brand-new Accent Double IPA beer! It is brewed specially for us by the fabulous local brewery Alley Kat. It's hoppy and sweet from time spent maturing in a whisky cask. Try one on tap or in a bottle before it's all gone!
- Looking for some excitement on Thursday night? Our Accent Artist of the Week live music nights are the place to be. Over the next three weeks we're featuring Manuela, Carmen Lucia, Our Sound Machine, Doug Hoyer, Sarah Mallandaine, and Marc Ross. We also have drink specials on martinis and Alley Kat Amber pints, so you won't have to go thirsty! The show starts each week at 9:30.

We hope you're enjoying the springtime, and we'll see you around soon!

Cheers!

Garrett Boyko and the staff at Accent
